The Camp Miakonda "Campmaster" program is in need of adult volunteers from the Erie Shores Council to help promote, participate and staff the program. The Campmaster program (originally called "Camp Directors") is more than just a staff of volunteers spending the weekend at beautiful Camp Miakonda checking in and out groups who utilize our treasured camp. Being a "Campmaster" is like being an ambassador to Scouting because more than just Scout groups come to have an outdoor experience.

The Campmaster program is a group of selected, trained and registered Scouters who serve at Camp Miakonda whenever groups, teams, packs, crews, posts, troops or outside groups are using camp during a weekend throughout the year. Campmasters select their own frequency of service, but are instructed they have a one year term. The group is organized under the leadership of the Operations Director - John Bolster and the Volunteer Head Campmaster - Doug Dittman.

Campmasters are selected on the basis of their ability in several areas: outdoor skills, specialized knowledge of nature and conservation and leadership skills. All Campmasters must have a record of demonstrated ability to get along with people, to lead, and to act in an emergency. All Campmasters must have a working knowledge of Scouting, troop and team operations, Scout advancement and Webelos camping.

Please contact either of the individuals below with questions or to get signed up to become an Erie Shores Council Campmaster for the 2009 Camp Miakonda camping season.
